

Grocery Shopping / Delivery (Nonprofit)

DEFINITION

Businesses that will do grocery shopping for an elderly individual that is not able to complete this task. The senior may no longer drive, have mobility issues, have difficulty transporting the groceries from their vehicle to their home, etc.

SERVICES

- Volunteers take grocery orders via phone or email
- Volunteers shop for the groceries
- Coupons and EBT are accepted
- An employee that has been screened with a background check will delivery the groceries to the home. In some cases, they will even help to unpack the groceries.
