

# Home Remodeling / Accessibility

## **DEFINITION**

Businesses doing home remodeling with specialization in making the home wheelchair accessible and safe for an elderly and / or disabled individual. The goal is to make the home safe for them to continue living in their home instead of moving to a senior living facility.

## **SERVICES**

- Home safety assessment
- Client assessment of mobility and other limiting issues
- Planning and execution of a remodeling project
- Follow-up regarding success of the remodeling efforts and discussion of possible future needs

## Home Remodeling / Accessibility
