

Moving / Storage Services

DEFINITION

Help seniors downsize and move to another house or a senior community – independent senior living, assisted living, continuing care community or skilled nursing facility. A one-stop resource for the senior or their caregiver, the company will attend to all the details of leaving one home and creating another.

SERVICES

- Plan
- Arrange the move
- Pack
- Unpack, setup, put things away.
- Take care of unneeded possessions: ship to family / friends, sale and donation
- Closing the old home
