

# Organizing – Household

## DEFINITION

Professionals who simplify routines and allow the senior to maintain independence and stay in their home longer.

## SERVICES

- Organization of closets, dressers and cupboards / pantry
- Organization of the Daily Activities of Living
- In the case of a Home for sale, a “Home Staging Professional” will organize the décor in a way that is “pleasing” to prospective buyers. Often this involves removing clutter and re-organization of storage areas.

## Organizing – Household
